TO VOLUME 77 OF THE AMERICAN JOURNAL OF PHARMACY.

AUTHORS.

Alpers, William C. Professionalism vs. commercialism in pharmacy, 162, 200

Beates, Henry, Jr. Biographical sketch of Horatio C. Wood 376
Relationship between medicine and pharmacy 51, 148
Remarks on pharmaceutical ethics 175, 200
Remarks on the ethical relation of pharmacists and physicians . . 70, 148
Beringer, George M. A record of two toxicological investigations . . 46, 84
Nostrum vending and its relation to medicine and pharmacy . . 168, 200
William J. Jenks, Ph.M. 201

Cattell, Henry W. Remarks on the tests for and action of methyl alcohol 121, 150
Coblentz, Virgil. Memorial sketch of Albert Hilger 569
Cohen, Solomon Solis. Scientific testimony in trials involving pharmacologic questions 1, 46, 81

Dohme, A. R. L. Remarks on the use of methyl alcohol and the reduction of the tax on alcohol 119, 150

French, Howard B. Memoir of William Weightman 151

Gane, E. H. Scientific needs of the business pharmacist 530
Gordin, H. M. Combination percolator and shaking tube for assay of alkaloidal drugs 463
Simple arrangement for percolation with hot alcohol 463

Hancock, John F. William Procter, Jr. 13, 50
Hinrichs, Carl G. Pharmacy and chemistry at the World's Fair 75
Preliminary review of the chemistry of the U.S.P., VIII 503
Hynson, Henry P. Ethical pharmaceutical practice and its recompense, 153, 199

Kline, C. M. African copaiba balsam 185
Kline, M. N. Reasons for reducing the tax on alcohol, and for providing free denaturized alcohol for use in the arts 111, 149
Kraemer, Henry. Copper in destroying typhoid organisms, and its effects on man 265
Plant morphology and taxonomy 401

La Wall, Charles H. Annual meeting of the Pennsylvania Pharmaceutical Association 394
Biographical sketch of Joseph P. Remington 379
Comparative study of fruit and vegetable colors 301
Vanillin in its behavior to the formaldehyde tests 392
Lawrence, Helen M. Henry N. Rittenhouse 520
Lemberger, Joseph L. Cultivation of saffron in Lebanon Co., Pa. . . 209, 247
Lloyd, John Uri. Structural plant relationships 385
Luebbert, A., Dr. Serum treatment of hay fever 328

Mason, Harry B. Chairman's address before the section on education and legislation of the A. Ph. A. 571
Moore, J. B. Importance of insurance to pharmacists 224, 249
Musser, John H. A tendency in medicine and its influence on pharmacy 58, 148

Norton, F. A. Ptomaine from the putrefying stomach of a dog 206

Oldberg, Oscar. Albert Benjamin Prescott 251

Perrédès, P. E. F. London botanic gardens 451, 523, 562
Puckner, W. A. Alkaloidal estimations in the U.S.P., eighth revision . 372
Detection of formaldehyde in witch hazel 501

Reber, Wendell. Remarks on the desirability of a standard eye-dropper, 125
Remington, Joseph P. Recognition of the college diploma 182

Sadtler, Samuel P. Detection of methyl alcohol in liquids containing ethyl alcohol 106, 149
Helen A. Michael 460
Schimpf, Henry W. Critical review of the inorganic chemistry of the U.S.P., VIII 513, 551
Schwenk, P. N. K. Size of the dropper as applied to eye-drops containing alkaloids 123, 149
Slade, Henry B. Some alkaloids of the death camas 262
Smith, F. A. Upsher. Notes on British pharmacy 432
Training of British pharmacists 323
Snavely, Clarence O. Ointment of mercuric nitrate 233
Stevens, A. B. Nitrogen in gums 255
Zinc dust 260

Troth, Samuel. A retrospect of pharmacy, with a history of an old Philadelphia drug house 423
True, Rodney H. Substitution of American centaury 213

Wiegand, Thomas S. Dispensing notes 326, 348
Wilbert, M. I. Camphor snow and milk of camphor 128, 150
Council on pharmacy and chemistry of the American Medical Association 179
Dr. Christopher Witt, an early American botanist 50, 311
Evolution of the chemical materia medica 473, 542
Past, present and future of pharmaceutical degrees in America . . 215, 249
Progress in pharmacy—a quarterly review 131, 281, 349, 435, 583
Remarks on the desirability of a standard eye-dropper 127
Remarks on the ethical relation of pharmacists and physicians . . 73, 148
Review of the eighth decennial revision of the U.S.P. 351
The evident need of a profession of pharmacy 64, 148

Yaple, Florence. The Atlantic City meeting of the A. Ph. A. 475

Zeig, A. C. Manufacture of pharmaceutical preparations 465

SUBJECTS.

Abbreviations for periodicals 495
Acetanilid, estimation 488
mixtures, official report on 438

Acid, acetyl-salicylic 443
glycerophosphoric, natural and synthetic 287
Acidol, properties 445
Aconitines, new 587
Adrenalin and analogous preparations, dose 288
Alcohol, reason for reducing the internal revenue tax on, and for providing free denaturized alcohol for use in the arts (Kline) 111, 149
remarks on the reduction of the internal revenue tax by A. R. L. Dohme 119
methyl, detection in liquids containing ethyl alcohol (Sadtler) . . , 106, 149
discussion on the use and effects by A. R. L. Dohme and Henry W. Catlell 119, 121
tests 108
what is it and what is it good for (Wiley) 101, 149
Alkaline substances, influence upon oxidation processes 484
Alkaloidal estimations in the U.S.P., eighth revision (Puckner) 372
Aloes and the U.S.P. 494
compound decoction 434
Alypin, properties 588
Amalgamation in Great Britain 441
American conference of pharmaceutical faculties, announcement of meeting 449
qualifications for admission to 450
Medical Association, council on medical education 283
council on pharmacy and chemistry 283
council on pharmacy and chemistry (Wilbert) 179
fifty-sixth annual session 437
Pharmaceutical Association, announcement of committee on historical pharmacy 345
address of the chairman of the section on education and legislation (Mason) 571
Atlantic City meeting 475
committee on scientific papers 344
index to proceedings 284
preface to index 291
programme of annual meeting 344
Pharmacologic Society, organization 586
Antichoren as a substitute for mercurials 136
Antidiphtheritic serum, administration by mouth 286
Argemone mexicana, structure and development of seed 494
Arsenic poisoning, local effects 46
trioxide, determination 490
Arsenous iodide, notes on 435
Assay of alkaloidal drugs, combination percolator and shaking tube for (Gordin) 463

Barbaloin, constitution 444
Berries, edible, anatomy of (Winton) 20
Bocconia cordata, chemistry 494
Botanic gardens, London (Perrédès) 451, 523, 562
Botanical Congress, second International 417
Bourquelot, Emile, personal 135
British Pharmaceutical Conference, forty-second annual meeting . . 432, 439

Caffeine in presence of acetanilide, estimation 488
notes on the estimation of 488
Calomelol, properties and uses 289
Calycanthine, research upon 485
Calycanthus glaucus, crystalline alkaloid of 485

Camas, death, some alkaloids of (Slade) 262
Camphor, assay of compound tincture 434
snow and milk of camphor (Wilbert) 128, 150
Canadian compendium of medicines, a 286
Capsicum, pharmacy of 433
Caspari, Charles, Jr., personal 264
Centaury, American, substitution of (True) 213
Chandler, Charles F., presentation of portrait 243
Chelidonine, chemistry 484
Chemical materia medica, evolution 473, 542
Chemicals, adulteration of 487
Chloral, polymerized 291
Clavin, properties 588
Colors, fruit and vegetable, comparative study of (LaWall) 301
Copaiba balsam, African (Kline) 185
Copper in destroying typhoid organisms, and its effects on man (Kraemer) 265
Crocus, synonyms 209

Degrees, pharmaceutical 188
discussion on 249
past, present and future of (Wilbert) 215, 249
Delaware Pharmaceutical Society 345
Dentifrices, composition of 433

Diehl, C. Lewis, personal 150
Digitalis, adulterated 136
Diploma, college, recognition of (Remington) 182
Diphtheria antitoxin, immunity unit for standardizing 285
Dispensing notes (Wiegand) 326, 348
Doses in the U.S.P., discussion on 546
Dropper and stopper, combination 149
eye, discussion on the desirability of a standard by Wendell Reber and M. I. Wilbert 125, 127
size as applied to eye-drops containing alkaloids (Schwenk) . . . 123, 149
Drug Laboratory, U. S. Department of Agriculture, working of 491
plant investigations of the U. S. Department of Agriculture 487
Druggists as retail liquor dealers 585
Drugs and medicines, sampling 491
specially liable to substitution 486
